**Re: NTI AG v LinMot, Inc. et al
U.S. Eastern District Court Case No. 2:13-CV-01323-JPS**

Dear Judge Stadtmauer:

Thank you for approving the adjournment of the Trial of the above-referenced action to December 29, 2014. Although I think it was understood that the discovery deadline was extended, a definite date was not established. I would like to suggest that the following deadlines be amended to conform to the new Trial date and the needs of the parties for further discovery:

1. Discovery to be completed by December 11, 2014; and
2. Motions in Limine to be filed by December 11, 2014.

If these deadlines are acceptable, I will submit a proposed order. Thank you for your consideration.

Very truly yours,
